<p><input type="checkbox"/> This road approach was installed prior to January 1, 2004, OR there is already an approved approach.</p> <p>I understand that the purpose of this document is to serve as verification of an existing, functional road approach installed prior to the current permitting process (January 1, 2004). A functional approach has adequate sight distance and width and does not pose a potential hazard to the county road. A general-purpose and field access being converted to residential or commercial use will need to be processed as a new approach using a standard Road Approach Permit.</p> <p>I hereby represent that I own the land adjoining the approach authorized by this permit, and/or have the legal right to cross same and shall, upon findings of their misrepresentation of same, remove said approach at my sole cost, and shall indemnify and hold County harmless from any and all claims arising out of such misrepresentation to the County.</p> <p>I affirm that all answers, statements, and information submitted with this application are true, accurate, and complete to the best of my knowledge. If Owner information is filled out, I affirm that I am the owner of the subject property. If Agent information is filled out, I am duly authorized by the owner to act in respect to this application.</p> <p>I acknowledge that issuance of a road approach permit does not guarantee issuance of any other county permits or that the driveway/private road meets Lewis County road standards.</p> <p>Signature* _____ Date _____</p> <p><small>* An agent or representative of a property owner will submit legal proof of such capacity upon request AND state the owner's name and address above.</small></p>			

- - THIS SECTION TO BE COMPLETED BY PUBLIC WORKS STAFF - -

- ☐ Representation of ownership and legal access ☐ is ☐ is not acceptable for processing. _____
- ☐ Existing Approach Approved. The access is adequate for sight distance, width and offset.
- ☐ Standard road approach permit is required.
- ☐ The access does not meet current standards and/or poses a potential hazard to the county road.
- ☐ The access will involve a change in use; e.g., from farm to residential or logging to residential.
- ☐ The access appears to be an unpermitted installation with evidence of recent earthwork, culvert installation, etc.
- ☐ No evidence of an existing road approach.
